# ADDITIONAL COSTS

## Warranty:

standard warranty is 24 months, if you want an extended warranty, up to a maximum of 60 months, you should add to the price of the products:

4% for a 36-month warranty

8% for a 48-month warranty

## GROUND WORK & FUNDAMENTS:

The offer does not take into account the preparation of the ground, i.e. the safety surface and the foundations to which the structure should be attached. These works must be carried out by the investor, according to the guidelines we provide.
